Now that you are settling in with us, ready to enjoy the good life and gradually easing your shoulders down and away from your earlobes, please accept our warmest welcome to Brandy Library. Here are a few hints to make your visit an even more pleasant one, plus a few house rules from your diligent librarians...

Brandy Library accepts cash, Visa, cash, MasterCard, cash, Diners Club, cash, American Express, and cash. However, we do not accept Discover.

We offer a few choice tobacco selections to go with your favorite spirit, but keep in mind that smoking is permitted on the veranda only. Outdoor seating ends promptly at midnight.

No drinks can be enjoyed outside after 12:30 a.m., in respect to the peace of our neighborhood.

Reservations are suggested. Especially on weekends, why not call ahead and guarantee a great seat? We can only accommodate groups not greater than 6 on Friday and Saturday.

For larger groups, please consider letting us play host to your party. We provide services for personal and corporate parties of up to 80 people, with various pricing options for bar, food and premises. Ask your librarians for details. For more info on our party food menu, visit [www.brandylibrary.com](http://www.brandylibrary.com)

Brandy Library is **the** spot for expanding your “spiritual” horizons. You’ll love attending a seminar in our next Spirit School session, and tastings are a great way to entertain friends, clients or business associates. School was never this much fun!

An automatic gratuity of 20% will be added to the bill for parties larger than 6 guests and to checks settled by split media.

Brandy Library has no dress code. However, please respect the beauty and the elegance of your surroundings by refraining from removing your shoes, putting your feet on the furniture, or mistreating our property in any way.

As in any library, please avoid using loud and/or vulgar language and, though it does prove a challenge in our romantic setting, keep public displays of affection within the bounds of good taste.

While we do feature many rare, precious, and therefore expensive brandies, whiskies and rums, you'll find that we **encourage** you to enjoy and perhaps discover the endless complexity and depth of our beautiful amber spirits by pricing them competitively. We do reserve the right, however, to charge you an arm and a leg for a vodka soda! Our tap water is filtered and the ice is made of filtered water as well

What's in a pour? In our exquisite "O" line of glasses from Riedel: 2 oz of golden deliciousness. In a sexy Cocktail saucer: 4 oz of love. In our red and white wine glasses: 6 oz of delicacy.

Our Beverage Director leads a team of "Librarians" (bartenders, waitresses) who earned their titles of Spirit Sommeliers through dedicated learning and passionate tastings: they will provide gentle guidance as you may be curious about what you see on the shelves.

Please drink responsibly, and please do enjoy some of our wonderful cuisine, especially if you'll be having more than one.

We invite you to join our mailing list by filling out the survey flyer we present when asking for the check. To get behind the scenes, plan a party, attend a tasting, or check our calendar of events, go to [www.brandylibrary.com](http://www.brandylibrary.com). For educational videos and our online store, visit [www.brandylibrary.tv](http://www.brandylibrary.tv). Now stop reading and start sipping!

## **BLIND STAVE TASTING**

Served on a full length stave from an actual Bourbon cask; this blind tasting features 9 pours, each 0.5 oz. You have the freedom to include 1 single malt scotch of your choice (restrictions may apply) and your sommelier will take their liberty with the remaining 8. Whether you're a connoisseur testing your skills or a rookie on the search for a favorite, this endeavor is sure to satisfy even the most discerning of palates. (Available at the bar only).

Served on a cut stave, this blind tasting features 3 pours, each 1 oz. The theme of this smaller scale tasting changes regularly, so please ask your sommelier for the current offering. If you're not a fan of the day's theme, suggest one of your own and our beverage director will consider for future rotation.

***If these flights leave you wanting more, get a group together and get into the Spirit! You can book a Private Tasting any time of the day or night for any group size between 4 and 25 guests. Great for entertaining your clients, getting your staff educated in spirits or simply having an enjoyable time with friends.***

***You can also join one of our Spirit School Seminars. Same format as a private tasting but for smaller groups and at a discounted price (since you're joining other small groups)***

## Not just Spirits, almost Cocktails, sort of mixed drinks: **"Mixits"**

**Where mixology and spirits meet...**

All "Mixits" are made of 2 oz. spirit and a cocktail spoonful of Monin syrups on ice

- 🍷 Rum..... with Vanilla syrup
- 🍷 Single Malt Scotch..... Highlands with Lavender syrup  
Speyside with Peach syrup  
Islay with Pear syrup
- 🍷 Tequila.....with Violet syrup
- 🍷 Armagnac.....with Hazelnut syrup
- 🍷 Bourbon.....with Praline syrup
- 🍷 Cognac..... with Jasmine syrup

### **Reserve Cocktails**

- 🍷 **Sicilian Walker**.....*Johnnie Walker's latest limited release, a blended Scotch finished in ex-American Rye Whisky casks offering a sweet and spicy kick, in a Grand Highball with ginger ale...Scotland's most popular gentleman meets Sicily's Averna distinctive herbal notes to help you keep a steady pace.*

- **Santa María**.....*Puerto de Santa María near Cadiz in the South of Spain is home to many great Sherry producers...but it is also the home of an incredible Gin: Wint & Lila. Its zesty and flowery notes are complemented by our house-made (Spanish) Saffron simple syrup and topped with Champagne, garnished with one of our Chef's delicate orange candies. Eloquent and elegant.*
- **Between pages**.....*Your dedicated Librarians' own double-barreled 9 year old Prichard's Bourbon in a creamy and rich concoction of Crème caramel syrup and shortbread cookie; the extra maturation lends a woody spiciness of clove and cinnamon to the whiskey: after-dinner bliss, liquid dessert...you must leave room for it.*
- **Tokindi**.....*The Japanese love their highballs and Suntory's new Toki is made just for that: ultimate after-work thirst quencher you'll probably enjoy in multiples. Toki is a blended whisky made of Chita grain, Hakushu non-peated malt, and sherried Yamazaki. Umeshu, the plum wine dear to the Rising Sun countrymen, brings in a touch of sweetness to the revolutionary Spanish Indi Seville Orange tonic.*
- **Lavender 16**.....*The Casa Dragones folks in San Miguel de Allende stirred the Tequila industry when recently offering the most expensive clear-as-glass sipping Tequila. We dare to show this unusual Blanco in a different way: laced with lavender syrup and smoked up by a hint of Mezcal. Dangerously addicting. Full-on Mexico.*
- **Pods-de-Vie**.....*Cognac Bache-Gabrielsen "American Oak" is a brilliant innovative spirit showing what's best from both American and French oak. This Cognac Sour blends exotic vanilla notes with Madagascar's Caviar into a perfect combination of the World's Premier eau-de-vie attributes and the subtle Tennessee virgin barrels' fruity aromas. Heavenly silky texture.*
